

Soefi - Movement.

Dear Mureeds.

Although it is the wish of Pir-o-Murshid M~~u~~sharaff Khan to commemorate this special 70 birthday unassumingly, we are sure that all Mureeds will welcome this opportunity of showing their devotion and appreciation for all Murshid does for the Movement and for each of us personally, by offering him a token of our loyalty.

This international present is going to be a Persian carpet. Contributions should be sent before August 28 to your Centreleader or to the Nat. Representative, who will send it to Mrs. L. de Smeth-van Pallandt, Wassenaarseweg 140, The Hague.
